

Mis. 30

The diagram shows a lens with a focal length of 30 cm. An object is placed at a distance of 20.4 cm from the lens. The lens is represented by a vertical line with a curved surface on the left and a flat surface on the right. The object is a vertical line on the left side of the lens. The focal point is marked on the right side of the lens. The text 'Mis. 30' is written above the lens, and 'cm. 20,4' is written below the lens.

cm. 20,4
